**IN THEIR OWN WORDS:** N-Bone® Senior Dental Rings are the only dental treats designed specifically for senior dogs. They are designed in a unique ring shape and fortified with functional ingredients like DHA, glucosamine and chondroitin to support healthy brain and joints during a dog's golden years. Each ring is handcrafted with care in the USA and contains no wheat, corn or soy. The pliable texture is easy to chew, easy on aging teeth and available in N-Bone's best-selling chicken flavor. Give your furry friends a delicious treat that is good for them!

**WHAT MAKES THIS PRODUCT SPECIAL?** N-Bone Senior Dental Rings are designed with the health and wellness of senior dogs in mind. The product has been created to fulfill dog's behavioral needs to chew while giving them the best formula to support healthy skin and coat, joints and brain. It's not just empty calories. It's a delicious, yet beneficial treat!

**WHAT THEY'RE KNOWN FOR:** NPIC has been manufacturing pup-favorite treats for almost 25 years. We formulate, develop and market the highest quality, nutritious and functional products for dogs, cats and ferrets
