IN THEIR OWN WORDS: Our Lickable Actives line is one of the most unique and best-selling in the category. We offer these peanut butter flavored supplements with CBD, calming, Hip/Joint & probiotics benefits. They are easy to give, tasty, effective and affordable. They all come with the NASC Quality seal, so you can trust that they are made for safe sale in your store.

WHAT MAKES THESE PRODUCTS SPECIAL? Our products stand out for several reasons: The price point is set at a very affordable level, our packaging pops on shelf, the NASC Quality Seal shows dedication to quality and our products are a fun way to interact with pets.

WHAT THEY'RE KNOWN FOR: Green Coast Pet is known for providing fun, healthy, safe and different products for pets in all stages of their life from treats, to supplements, to CBD.

1. Broad Spectrum Hemp Oil for dogs. Made from hemp organically grown in the USA. **MSRP:** \$19.99 – \$119.99 (1oz)

RETAILER REVIEW: “We have been working with Green Coast Pet since their first day in business. They have always provided great service to us, participated in any initiatives we were wanting to offer our customers and always responsive to our needs. On top of that, we love their products and how different they are and they sell well for us providing us a great margin.”
