IN THEIR OWN WORDS:

The Omega-3 Supplement That's Good for Your Pet and the Planet. Grizzly Algal Plus Oil is a plant-based omega supplement that is sustainably sourced from marine algae. Packed with Omega-3 fatty acids EPA, DHA, and ALA, Grizzly Algal Plus Oil is essential to your pet's health to support healthy organs and lustrous coat. And, it is a great alternative to fish oil without the smell of fish or fishy breath.

WHAT MAKES THIS PRODUCT SPECIAL?

Grizzly Algal Plus Oil blends both algae oil and flaxseed oil, resulting in a 100% vegetarian and vegan omega supplement. Grizzly Algal Plus Oil contains high levels of Omega-3 fatty acids, which help maintain a pet's healthy skin, lustrous coat, healthy joints and a sound cardiovascular system.

WHAT THEY'RE KNOWN FOR: Bringing health and happiness to pets & parents with minimally-processed, natural food and treats for dogs and cats.
