IN THEIR OWN WORDS:

Kala Health Inc. is proud to present PeakTails®, a rapidly growing range of nutritional supplements designed by Dr. James St.Clair, a practicing veterinarian and expert in proactive wellness. We recognize that pet owners are increasingly adopting a proactive approach to pet health and seeking natural solutions whenever possible. Whether it's supporting their senior dog's joints or enhancing their cat's overall well-being, we believe it all starts with providing additional nutrients that may not be present in their regular diet.

WHAT MAKES THIS PRODUCT SPECIAL?

With PeakTails®, retailers can rest assured that they are offering the highest quality raw ingredients, backed by scientific research and packaged in delectable chewables that pets adore.

WHAT THEY'RE KNOWN FOR:

For over 25 years, Kala Health's brands have been improving and expanding the lives of both humans and their pets. All Kala products carry the NASC Quality Seal and are always manufactured in the U.S.A.

RETAILER REVIEW:

"As an independent pet retailer and a pet owner who has tried PeakTails nutritional supplements, I can say that they are both tasty and highly beneficial for pets. I wholeheartedly recommend the PeakTails brand to other independent pet retailers and pet owners alike." — Tom Moodle, Owner, Green Cottage Pets, Gig Harbor WA
