Vitalize® Trixsyn® Feline supports mobility in cats in a tasteless and odorless hyaluronic acid (HA) formula. **MSRP: \$29.11** (2oz. bottle with dosing syringe)

From left to right: Vitalize® Trixsyn® Canine **MSRP: \$39.44** (6oz. bottle with pump), Vitalize® Trixsyn® Feline **MSRP: \$29.11** (2oz. bottle with dosing syringe), Vitalize® Trixsyn® Canine Performance **MSRP: \$47.07** (6oz. bottle with pump)

IN THEIR OWN WORDS:

Please help us welcome Trixsyn® to the Vitalize® line of canine and feline products! With a NEW look & label, Vitalize Trixsyn is a liquid product for dogs and cats designed to support total mobility utilizing hyaluronic acid and astaxanthin (in dogs).

WHAT MAKES THIS PRODUCT SPECIAL?

Vitalize® Trixsyn® is powered by MHB3®, a patented high molecular weight hyaluronic acid to support hip and joint

health and lubricate joints to support mobility.

WHAT THEY'RE KNOWN FOR:

Vitalize® is a line of products for horses, dogs, and cats with proven solutions to keep your partner healthy and performing. In addition to joint health products like Trixsyn, we also manufacture research-proven gut health products to give your customers a good gut feeling!
