Like all NPIC products, they are made with care in the USA.

**IN THEIR OWN WORDS:** Natural Polymer International Corporation (NPIC), a leading manufacturer of high-quality pet treats, proudly announces its 25th anniversary in the industry. This significant milestone marks a quarter century of dedication to providing healthy, natural and delicious treats for pets worldwide.

Since its establishment in 1998, NPIC has been committed to enhancing the well-being of pets through its innovative and nutritious pet treats. Over the years, the company has gained a strong reputation for its unwavering commitment to quality, safety and sustainability.

Throughout its 25-year journey, NPIC has expanded its product line to cater to the diverse needs of pets. From the N-Bone Puppy Teething Rings to Get Naked Functional Dental Sticks, the company continues to innovate and develop new formulations that align with the evolving demands of pets.

### WHAT MAKES THIS PRODUCT

**SPECIAL?** Promote a calm, positive mood to address hyperactivity and cope with stress or anxiety with Get Naked Functional Dental Sticks – Calming Health. Made from the finest natural and healthful ingredients, this grain-free treat features higher levels of nutritional value from fruits and vegetables, with added vitamins and minerals. Get Naked Functional Dental Sticks – Calming Health not only supports your dog's positive emotional state and balanced behavior but addresses overall care and well-being. Enhanced with a soothing blend of natural herbs (like chamomile, hops flower, lemon balm, passionflower) and fortified with probiotics.

**WHAT THEY'RE KNOWN FOR:** NPIC's success can be attributed to its relentless pursuit of excellence in pet treat manufacturing. The company utilizes state-of-the-art facilities and adheres to the highest industry standards to ensure the production of safe, nutritious, and delicious treats for dogs, cats and ferrets. Each product undergoes rigorous quality control measures and is crafted with natural ingredients, carefully selected for their health benefits and irresistible taste.
