SuperZoo Booth 6519

**IN THEIR OWN WORDS:**

Introducing Puppy Bites, our new line of supplements specifically crafted to meet the unique nutritional requirements of growing puppies. Our team of experts has meticulously formulated each bite-sized chew to deliver a comprehensive blend of essential vitamins, minerals and nutrients just for puppies. With Puppy Bites, we are committed to providing the highest quality ingredients that puppies adore, ensuring their optimal development and overall well-being. These tasty and convenient supplements have been thoughtfully designed to support healthy bone and muscle growth, enhance cognitive function, boost the immune system and provide calm during the day and at night.

**WHAT MAKES THIS PRODUCT**

**SPECIAL?** What sets Puppy Bites apart is Snuggle Puppy's commitment to using only the highest quality ingredients that puppies love, without any artificial colors, flavors, or preservatives. Snuggle Puppy takes pride in selecting premium ingredients like sweet potatoes to bind the supplements, avoiding the use of gums or fillers. Additionally, Puppy Bites are proudly made in the U.S.A., using globally sourced ingredients. With Puppy Bites, pet owners can trust that they are giving their furry companions high-quality supplements for a strong foundation. Snuggle Puppy's dedication to excellence and the wellbeing of puppies makes Puppy Bites the standout choice in the market.

**WHAT THEY'RE KNOWN FOR:**

For over 25 years, Snuggle Puppy has helped provide comfort to millions of animals around the world. Through the years, Snuggle Puppy has expanded its products. Stronger stitching, plush toys, grooming tools, healthy treats, innovative dog beds and more are just a few of the updates made over the past decade. Snuggle Puppy is committed to being a resource for pet parents as their beloved family member grows from puppy into adulthood, and beyond. Visit booth 6519 at SuperZoo to see all the exciting new products released this year and meet the company's amazing team!
