#### IN THEIR OWN WORDS:

West Paw and Earth Animal teamed up to design the dynamic chew duo for dogs. The Funnl™ is an enrichment toy that holds a No-Hide® Chew and takes its gnawsomeness to a wholesome new level. Together, they create dopamine-boosting stimulation that dogs crave, need, and love.

#### WHAT MAKES THIS PRODUCT SPECIAL?

Funnl™ is built for moderate chewers and made with recycled ocean-bound plastic in Bozeman, MT USA. The inner fins hold an Earth Animal No-Hide® Chew in place. Funnl is dishwasher safe, recyclable, and non-toxic.

#### WHAT THEY'RE KNOWN FOR:

Since 1996, West Paw has been making eco-conscious pet products in the USA. A Certified B-Corp., our goal is to be a force for good while being Dog's Best Friend®.

#### RETAILER REVIEW:

"We have carried West Paw products in our store since opening 8 years ago and they continue to be a hit with our customers. From the eco-friendly philosophy of the company to the durability and quality of each item they create, this line is a consistent proven winner for us and our customers. We love hearing, 'My dog destroys every toy but West Paw!' Amazing customer service with a personal feel!" – *Michael & Barb Morris, Owners, Treats on a Leash, Ames, IA*
