IN THEIR OWN WORDS:

Our ZenDog+ is a true 3-in-1 designed product. Whether your customers are looking for a calming compression shirt, recovery garment or trying to help control dust mites and dander in the house, this is the right product for them. It's made of premium, lightweight fabric with four-way stretch, providing the perfect combination of comfort and protection. In the summer months it can act as a cooling garment when wet. The ZenDog+ is fully adjustable and available in six sizes XS - XXL. A merchandising display rack is also available.

WHAT MAKES THIS PRODUCT SPECIAL?

Part of the reason ZenDog+ is highly sought after in the marketplace is because it's a multiple solution-based product. Retailers don't have to carry three separate SKUs, taking up more of their prime shelf space. ZenDog+ also offers a higher turn rate for the retailer because it's multiuse. The ZenDog+ can be used for one remedy, machine washed and stored for a future need.

WHAT THEY'RE KNOWN FOR: ZenPet has been manufacturing premium health and wellness items for over 20 years. As

a family owned and operated company, ZenPet stands behind creating high quality, solutions-based products at an affordable price point.
