BLUESKY

Advanced Sustainable
Packaging

1. The Bluesky line of products from Consolidated Packaging provide brands and consumers with recyclability without compromise. **2.** Bluesky Qual-Seal Pouches feature a stand-up design and four printable panels.

WHAT ARE SOME OF YOUR SUSTAINABILITY SUCCESSES? CPG's BlueSKY sustainable film products are approved by H2R for their instore recycling program. We manufacture recycle ready Totani® Box Pouches, Inno-lok, Stand Up Pouches, Roll Stock, and Glue Bottom Quad Seal Pouches. Our partially Solar Powered NJ facility, has been recognized as a NJ Sustainable Business.

WHAT ARE YOUR RESPONSIBLE MANUFACTURING STANDARDS AND CERTIFICATIONS? CPG has been awarded a Bronze Sustainability Rating by ECO-Vardis for our Company's Environment, Labor & Human Rights, Ethics and Sustainable Procurement policies. We are also SQF Level 3.

AS A PSC MEMBER, WHAT ARE YOUR SUSTAINABLE GOALS? CPG's mission is to foster a greener future by prioritizing environmental

stewardship in every aspect of our operations. We are committed to minimizing our carbon footprint, reducing waste, and promoting sustainable practices throughout our supply chain. We aim to inspire, educate, and provide our customers sustainable packaging options.

**FOR MAXIMUM BENEFIT, SHARE
THIS WITH YOUR SALES STAFF**

CONSOLIDATED PACKAGING GROUP

THE MOST DIVERSE PRODUCT LINE OF ANY CONVERTER

The CPG Difference! Everything we sell, we manufacture under our own roof. We are completely vertical and control the quality and manufacturing 100% from start to finish. CPG has over 450,000 sq ft of manufacturing and warehouse space in 4 buildings at our 3 locations.

We have the **fastest lead-times** in the industry, shipping most products in 2 weeks or less.
