HOW DID ANNAMAET GET INTO THE PET INDUSTRY? In 1986 Rob Downey started Annamaet with a broad scope of knowledge in pet nutrition, a lifelong involvement with dogs, & a mission to develop premium, American made petfood. With his wife and co-founder, Mary Jo, and now second generation, Annamaet remains a truly family owned and operated company today.

WHAT SETS YOUR PRODUCTS APART? Annamaet is set apart by our mission to maximize the health and well-being of our beloved pets while preserving our environment and natural resources for future generations. Each formula is derived from 4 decades of research in nutrition and hands-on experience with canine athletes.

WHAT MAKES YOUR TEAM SPECIAL? What makes our team special is the core family aspect and how close of a group we are. The Annamaet team also prides ourselves on our customer service and the fact that when you

call our office, a real person answers the phone to help address all questions and concerns.

WHY DID ANNAMAET JOIN NASC? Joining the National Animal Supplement Council emphasizes our commitment to transparency, safety, and quality in pet nutrition. By adhering to NASC's rigorous standards, we demonstrate our dedication to providing trustworthy, effective canine supplements, promoting pet health and strengthening trust with pet owners and veterinarians alike.

RECOVERY CHEWS

CANINE POST-EXERCISE TREATS

The ideal post-exercise soft chew is here! Formulated with a Board-Certified Veterinary Nutritionist, and backed by 40 years of experience with canine athletes, Annamaet Recovery Chews are designed to replenish muscle glycogen stores following periods of work or exercise.
