## In Pets Global, Inc.'s own words:

Pets Global, Inc., maker of Fussie Cat and Zignature, is an independently-owned pet nutrition company known for its meat-first, limited-ingredient philosophy and commitment to quality through expert formulation and extensive testing. We value our partners and invest in the community through meaningful retail support, local events and philanthropic efforts.

New 50-count Fussie Cat Premium Variety Packs of purees/toppers each feature 5-10 Fussie favorites  
MSRP \$39.99

## What is Pets Global, Inc. known for?

Fussie Cat is known for being “so tasty, even the fussiest of cats can’t resist,” but our quality nutrition, enhanced moisture, and species-specific ingredients make it great for all cats. With our expanded, award-winning formulas, Zignature has also gone from the

Fussie Cat Premium Black Label Tuna Formulas in Gravy now in easy to open, stack and serve cans  
MSRP \$1.89

go-to for sensitivities to proving, “We Have the Solution.”

## How does Pets Global, Inc. support retailers?

As an independently-owned and operated company, Pets

Global is committed to supporting independent retailers with personalized service and strong partnerships. We value genuine connection, remain accessible, and grow alongside our retailers—offering the kind of trust

and support only an agile, independent business can provide.

## What’s new?

“Our sleek, easy to open, stack & serve Fussie Cat Goat Milk and Black Label cans are top-sellers, along with our newly bundled 50-count Variety Packs of purees/toppers. We’re also expanding our Zignature Select Cuts with Super Grains line with single and multi-protein options. Up next: New recipes, more solutions.
