In the brand's own words:

We make powerful, practical solutions for homes with pets. Uproot Clean designs patented tools and targeted cleaning innovations that remove stubborn pet hair and odors where everyday products fall short. Our mission is simple: help pet parents spend less time cleaning and more time enjoying life together.

What is Uproot Clean known for?

We're best known for solving the mess excess pet hair makes for pet parents. Since 2021, our growing line of patented, innovative tools, led by the viral Uproot Cleaner Pro pet hair remover, has helped more than 3 million households clean embedded fur from furniture, carpets, clothing, and cars.

What's new?

We're now bringing the laundry category to pet retail with an everyday system built specifically for homes with pets. From Laundry Detergent Sheets

Laundry Detergent Sheets Pro. **MSRP: \$14.99**

Pro to Washing Machine Cleaner Pro to Scent Booster Pro, our formulas are engineered to solve what traditional laundry products can't: the real challenges of pet households.

What makes this product/product line special?

Over 90 million pet households struggle with hair and odor in their laundry daily, yet most products aren't formulated for this reality. Uproot Clean's proprietary laundry formulations attack these problems at source; targeting embedded hair, dander, and stubborn pet odors that standard products miss, resulting in truly clean laundry.

Washing Machine Cleaner Pro. **MSRP: \$10.99**

Scent Booster Pro. **MSRP: \$5.49**
